

# STONE YARD, INC.

## ADDITIONAL ACCESSORY ITEM INFORMATION

**Materials:** Most Stone Yard accessories are handcrafted in either GFRC and Fiberstone materials for indoor/outdoor applications. GFRC and Fiberstone materials are appropriate for freeze thaw and coastal environments. Visually and texturally, both materials are the same regardless of finish color. Fiberstone is our proprietary material offering the most durability and will weigh approximately 60% less in weight to the same item in GFRC.

**Finishes:** All Stone Yard finishes are unique and hand applied. Stone Yard takes into consideration the design details, size and texture to create one-of-a-kind beauty and variation throughout the product.

**Sealer:** All Stone Yard accessories include a coat of protective acrylic sealer for UV and moisture protection.
