

STONE YARD, INC.

ADDITIONAL MANTEL INFORMATION

Material: Stone Yard mantels are handcrafted in GFRC for indoor and outdoor applications. GFRC is appropriate for freeze thaw and coastal environments.

Finishes: All Stone Yard finishes are unique and hand applied. Stone Yard takes into consideration the design details, size and texture to create one-of-a-kind beauty and variation throughout the product.

Sealer: All Stone Yard mantels include a coat of protective acrylic sealer for UV and moisture protection.

Facing Tiles: Optional 3/4" facing tiles can be provided at additional cost to complete the area between the mantel and the firebox. Please specify when ordering.

Hearth: Optional eased edge hearth can be added at additional cost to any mantel. Please specify when ordering.

Andirons: Optional cast iron andirons available for all mantels. Please select style when ordering.

Installation: Stone Yard mantels are designed to install flush with the wall and firebox. Installation by a qualified professional is recommended.
